

Western Kentucky University's Glasgow campus will hold a

memorial service Thursday afternoon for a student who died last week.

The service for Trina M. Lawson, 36, will be at 2 p.m. in the WKU-Glasgow library.

The campus is also collecting donations for her family.

Lawson, a sophomore social work major from Glasgow, was found unresponsive in a

restroom at the WKU-Glasgow campus Friday afternoon. Barren County Coroner Mike

Swift said the cause of death has not been determined but an autopsy has ruled out

trauma.

There will also be a family memorial service at 11 a.m. Thursday at A.F. Crow & Son

Funeral Home in Glasgow.
