

WHEN WILL LEAF PICKUP OCCUR IN YOUR NEIGHBORHOOD?

Wednesday, 14 November 2012 05:02

Leaf pickup is going on around the city. Please be advised that residents

should avoid raking leaves into the streets or onto sidewalks for safety

reasons. Please rake to the edge of property line. The city is divided into 4 zones that they are using to divide the leaf pickup schedule. Through Friday the leaf pickup is going on in Zone 2, which is generally the northwest quarter of the city. You can see which zone your street is in by checking the leaf schedule at cityofglasgow.org under CITY ALERTS. Dates of leaf pickup in each of the zones are listed there as well .
