

GHS ART CLUB SELLING BRICKS FROM THE OLD BUILDING

Tuesday, 20 November 2012 07:30

The GHS Art Club is undertaking a fundraiser project of selling commemorative bricks

and a framed print of the old building. The club plans on using

the money for the Spring Chicago trip. 50 bricks have been cleaned.

which involves a lot of chiseling and manual labor and we have been working

since school started. The club will number

each print with an edition number to indicate where it is in the series. The

intention is to sell 100 of the sets for \$100 each. Contact any member of the GHS Art Club for more information.
