

KYTC contract crews will move onto paving the areas recently milled this week on Interstate 65 this evening.

Crews will have northbound traffic pushed down to one lane between 7:00 pm and 7:00 am from mile marker 47 to mile marker 59 (Park City to Horse Cave.) This work is tentatively scheduled for completion tonight, weather permitting.

Southbound traffic will not be impacted at this time.

Motorists are encouraged to reduce their speed and anticipate slow moving traffic while traveling through this work zone.
