

SIX ARRESTED IN BOWLING GREEN AFTER A METH LAB WAS FOUND

Sunday, 27 January 2013 08:20

Warren County Sheriff's office are investigating a Meth Lab Complaint. On Saturday, Warren County deputies arrived at 164 Robins Nest Drive to a complaint. Upon arrival, deputies met with the homeowner and received consent to enter the residence. Once inside, officials smelled an odor related to a methamphetamine lab. Officials were granted access to a locked bedroom and found several people inside the bedroom as well as a pot of methamphetamine.

Warren County Sherrif deputies arrested Kenneth Adams of Louisville, Cody Gates of Bowling Green, Carie Keabler of Harrodsburg, Brandon Ramey of Bowling Green, Patrick Payne of Bowling Green, and Toyna Sturgeon of Bowling Green. All were charged with manufacturing Methamphetamine.

Warren County Emergency Management and the Richardsville Volunteer Fire Department assisted with clean up at the residence.
