

ALLEN CO. ROAD CLOSED DUE TO WATER OVER THE ROAD

Monday, 11 March 2013 14:09

KY 585/Old Franklin Road in Allen County is CLOSED between mile markers 6-7 due to water over the road.

Motorists should never attempt to drive through high water. The fast currents of flooding water can easily carry a vehicle off the road. Motorists who encounter a flooded highway should report it to local law enforcement.

Residents should stay tuned to local media for the latest roadway and weather information. Statewide traffic and weather information is also available at www.511.ky.gov .
