

This is your WKU-Glasgow weekly update for March 18th, 2013. WKU-Glasgow is excited for the WKU basketball team for making it into the NCAA Tournament. For more information on the Hilltoppers in the NCAA Tournament visit wkusports.com.

This week on campus, the Glasgow Student Body Association will be hosting a reception for students on campus to celebrate the upcoming elections for student government. Senator David Givens will also be a guest speaker for the reception. On March 22nd, students on campus will have the opportunity to begin DLI in a Day. DLI in a Day is a leadership program to help develop leadership skills. All WKU-Glasgow students are, of course, welcome to attend.

DLI in a Day will begin at 12 p.m. and it will be hosted in room 131. For more information about WKU-Glasgow follow us on Facebook at WKU-Glasgow or contact John Roberts at 659-6984.
