

The Barren County Sheriff's Office has received several complaints of a possible scam in the area. Area residents have been approached at their homes by a young man driving a ford pickup truck, wanting to seal or asphalt driveways.

The man states that he has been doing work in the area, and has extra material he needs to get rid of. The subject does estimates on a linear foot basis, but after the work is done, charges by the square foot. This subject was in the area last year, and got several residents on the scam.

If you are contacted by someone in reference to doing work, and feel that it is a possible scam, please contact the Sheriff's Office at 270-651-2771 or call our Tip Line at 270-646-8771. After hours, the Sheriff's Department can also be contacted through Glasgow Police Department Dispatch center at 270-651-5151.
