

Tomorrow is a very important day for anyone who's lives have been touched by cancer. It's the 2013 Relay for Life at Barren County High School, and we have Lisa Black from the Relay for Life team telling us all about it!

There will ALSO be a midnight concert by Matt Bell and Judd Perkins! You won't want to miss that. In the case of bad weather, the event will just be moved into the Barren County High School gymnasium.
