

TRAFFIC ADVISORY FOR HIGHWAY 218 IN HART COUNTY TODAY

Tuesday, 30 July 2013 08:25

Maintenance Crews from the Kentucky Transportation Cabinet Department of Highways are conducting road surface work on KY 218 between US 31W and US 31E in Hart County beginning today. The purpose of this work is to smooth out raised sections of the road surface.

Work will continue on Wednesday and Friday, depending on weather and may also continue into next week if needed.

Short delays will be possible. Flaggers will be conducting traffic around these operations.

Motorists are urged to slow down and use additional caution when approaching flaggers.
