

The Barren County High School Girls Soccer team has their first scrimmage tomorrow. The Lady Trojans will host some veteran players for their annual alumni game.

This is the Lady Trojan's first game under new coach Ken Mahung. Mahung has brought a different coaching system and style of play to the team. He has said the Lady Trojans are intent on winning district this year- a bold statement for a team that lost nearly all of its games last season.

Mahung's team shows confidence. Senior midfielder Hanna Vernon said she is eager to put her new skills to the test:

Mahung has only coached the girls for 3 weeks- a short time to learn a new system- but Vernon said she is still hopeful for a win.
