

DTF MAKES 3 ARREST IN DRUG BUST IN GLASGOW

Wednesday, 11 September 2013 06:32

The Barren-Edmonson-Allen Drug Task Force had made three arrests after executing a search warrant. After an extensive investigation by the Drug Task Force a search warrant was obtained for 815 Columbia Avenue apartment C in Glasgow late Monday evening. In cooperation with the Barren County Sheriff's Department and the Glasgow Police Department the DTF recovered an estimated one pound of crystal methamphetamine with an approximate street value of \$45,000.00. Detectives also found marijuana, pills, paraphernalia, packaging materials with digital scales and a large amount of cash in the residence. Arrested was 35 year old Alicia Shannon Byrd of Glasgow, 43 year old William Rick Miles of Elkhorn, KY and 45 year old Ronald Kevin Shoemaker of Desoto Texas. All three subjects were charged with Trafficking in a controlled substance 1st methamphetamine greater than 2 grams, Possession of a controlled substance 1st-meth, Possession of marijuana and possession of drug paraphernalia and all were lodged in the Barren County Jail.
