---

The Warren County Sheriff's Office responded to a call of an injury collision at the intersection of Louisville Road and Moorman Lane. Through investigation, it was determined that a beige 2007 Nissan Sentra driven by 21 year old Megan Dugard of Bowling Green, was traveling south bound on Louisville Road when a white 1997 Chevrolet passenger vehicle, driven by 39 year old Jamie Hudnall also of Bowling Green, pulled from Moorman Lane into her lane of travel.

The juvenile that was in the Chevrolet reported injuries, but refused to be transported by Medical Center EMS. Dugard was also injured, but refused transport. All parties involved were wearing seat belts, and alcohol nor drugs are believed to be a factor in this collision at this time. The investigation continues.
