

Everyone is invited to visit WKU-Glasgow today, as they celebrate the opening of the on campus Writing Center. The Sign Presentation will begin at 10am and the Open House will last until 6pm.

Natalie Raymer, Glasgow Student Body Association Vice President told WCLU, "I believe that the Writing Center is an invaluable resource to nurture and promote the continuing education of the WKU-Glasgow students. We are excited about this addition to our campus and what an invaluable resource it is to our students." Raymer's work and insight helped to make the Writing Center a reality at Glasgow.

Everyone is welcome to tour the Writing Center and to attend the Open House in RM 131 at WKU-Glasgow.
