

The [Western Kentucky University forensics team](#) traveled to Missouri, Berea, Ky and Indiana to take part in six tournaments during this past weekend.

WKU placed second in team sweepstakes out of 19 schools in Indiana and was awarded the traveling trophy for sustained excellence.

In Berea, the team of seven placed second in team sweepstakes at both tournaments. All members advanced to at least one final round this weekend, and each member won at least one individual event.

In Missouri, WKU's team of eight placed third in debate sweepstakes and third in overall tournament sweepstakes. At this tournament, like all of the others this weekend, all WKU team members advanced to a final round in at least one event.
