

On Monday, the WKU-Glasgow Greentoppers will be hosting 'B.O.O. Buying Our Own'. This fall pumpkin event will begin at 11:30 and last until 4:30 (weather permitting) on WKU's Glasgow campus.

This event will feature local, low mileage pumpkins for sale, provided by Groce Produce. There will be a pumpkin painting contest, and great prizes will be given away.

The WKU-Glasgow Greentoppers encourage everyone to come out on Monday and to help create a sustainable local economy by supporting our locally owned businesses.
