

WCLU News spoke with Shelia Childress, Business Teacher and FBLA Advisor at the Barren County Area Technology Center, and she said October had been a great month at ATC. Each month ATC focuses on a different character trait, and the October focus was on being positive. Childress wanted to recognize the following students for outstanding achievement and portraying a positive attitude during the past month::

From Barren County High School: Colton Kise, Johana Coulter, Amy Wininger, Zach Vibbert, Corie Herald, Cole Rodriguez and Manuel Flores.

From Glasgow High School: Becca Keen and Grey Hayes.

Congratulations to all these students at ATC.
