

Glasgow Lady Scottie Golfer Taylor Phelps signed a letter of intent with Campbellsville University before a crowd at the Glasgow High School Cafeteria yesterday afternoon. Taylor has been a member of the Scottie Golf Team since the 7th grade. She has been on championship teams in 2010 and 2013 and played well individually in several tournaments. She told WCLU Sports she thinks Campbellsville is the right choice even though she'll miss being a lady Scottie:

She's referring to Lady Scottie Head Coach Kellie Lee who says Taylor has been a rock solid athlete she could count on:

And Campbellsville Tiger head Coach Brent Vernon likes recruiting players who know how to win:
