

Glasgow Police Officers Houchens and Fletcher conducted a traffic stop beside Staples on Saturday night after receiving a complaint that the passengers of a tan Chevy HHR had purchased items known to be used in the manufacturing of methamphetamine. The subjects consented to a search of the vehicle which yielded several items and cold medicines common in the manufacturing of meth and one passenger mentioned 27 year old Randy Steven Claxton of Finney Rd had talked about manufacturing to make some money, resulting in his arrest for MANUFACTURING METHAMPHETAMINE 1ST OFFENSE.
