

RECYCLE CHRISTMAS TREES

Thursday, 02 January 2014 00:00

The City of Glasgow Department of Public Works is collecting discarded Christmas Trees for recycling. Collections started December 30, 2013, and will continue for 2 to 3 weeks.

Residents are encouraged to put out their discarded trees at curbside as early as possible on their normal garbage & recycling collection days during the collection period.

The Department of Public Works asks residents to please remove all tree stands, tinsel, lights and ornaments from trees before placing them out for collection. **DO NOT** place trees in plastic bags. For more information call the Department of Public Works at 270-651-5977
