

After judging hundreds of nominees, we at WCLU have chosen the winners for the 2014 Sweethearts of the Year Contest.

The Best Married Couple over the age of 50 is Dr. Max and Martha Wagner!

Here is their story:

Their Story: When he first laid eyes her at church in Chicago, he said, "I'm going to marry that girl." She said, "You're crazy!" They are still "crazy" in love after 66 years of marriage. Anyone that knows them will tell you they have never seen one without the other; one of the sweetest and most devoted couples you will ever see. He will be 89 years old Wednesday, has difficulty hearing, and suffers from other health issues. She now devotes her life to caring for him. They love to go out to eat and watch UK basketball games, together of course.

They won Dinner at A Little Taste of Texas, Flowers from Blossoms Florist on Happy Valley Road, and a Beautiful Gift Basket from Mary Anne's Hallmark!

Congratulations and have a great Valentine's Day!
