

The Kiwanis are a worldwide organization dedicated to helping children in need. The Glasgow chapter does just that, right here at home as President Tim Doyle explains:

Along with making Christmas bright for these children, they also work with Big Brothers/Big Sisters, the local Soup Kitchen, the Sheriff's Ranch among other children's charities.

Coming up this Saturday at Barren County Middle Schools is the Annual Kiwanis Club Pancake Breakfast, where Doyle says they will have more than just pancakes:
