

John Walter Bradley, age 75, of Glasgow, KY passed away on February 23, 2013. Born in Clay County, TN on July 1, 1937, John loved many things during his time here: his home, guitars, singing, fishing, operating a ham radio, bicycling and boxing just to name a few.

The most dominate indicators of the kind of person John was, weren't those things though. John loved people. His earthly family, prayer group, church family and children held especially large pieces of his heart. John is and will continue to be remembered by those whose lives he blessed "as the most thankful man I've ever known". John loved his Lord and Savior Jesus and no doubt will be quoted for generations to come with his simple every day testimony, "most of all Father, I just thank You for saving my soul."

John is survived by his brothers: William "Jake" Bradley, Junior Hagan, Laymand Hagan, and sisters Velma "Luverne" Logsdon, Wilma Pedigo and Mary Hamilton.

John is preceded in death by his parents, Betty Emmett and Preston Bradley, brothers Raymond Hagan and George Bradley, and sisters Betty Glass, Sally Logsdon and Martha Pedigo.
