Nobob Youth Victim of Tragic Accident. Life is so uncertain. John William Atkinson, son of Mr. and Mrs. J.W. Atkinson of the Nobob section, was in Glasgow Saturday buying grass seed, preparatory to spring work. On Sunday morning he attended church with his parents and in the afternoon he and Kenneth Smith, also of Nobob, visited friends in Bowling Green. Starting home late in the afternoon, they were unable to avoid a collision with an antiquated Ford car which had apparently balked on the highway, and their car was plunged down an embankment, rolling over three times. Young Atkinson's neck was broken and he died before reaching the hospital. Young Smith was slightly, but not seriously, injured.

New Type of Train. The Hardin County Enterprise reports that a new type of train, which is minus the customary steam engine, surprised local residents late Tuesday afternoon. The front car of the train, which is used as a combination engine, baggage and mail car, is propelled by an electric engine at the front of the car and somewhat resembles an interurban trolley. The front is striped in black and white so as to be seen plainly at a distance. It is claimed that the train can make 30 miles per hour and that its electric engine uses oil as fuel.
